

BritInn Fellowship Programme – OUTGOING

The BritInn Fellowship Programme supports outstanding scholars across all disciplines and addresses especially early career researchers. It provides funding for short-term stays of academic staff members of the University of Innsbruck to spend time at a university or research institution in Britain to promote collaboration and engage in joint research projects.

BritInn-Fellows devote their time at the host institution to research with the aim of launching new joint projects with colleagues from Britain. The fellowship covers (part of) their travel and/or accommodation expenses for up to two weeks during the lecture period at the host institution. Applications should be submitted to BritInn.

The Programme does not support, as primary activity, off-site research. During their stay at the host institution, all BritInn-Fellows are expected to give a public guest lecture connected to their research.

The fellowships are designed to promote academic exchange between outstanding scholars from the University of Innsbruck and universities and research institutions in Britain, and to strengthen science communication through public lectures presented by BritInn-Fellows.

Eligibility Criteria:

- Doctorate/PhD
- Employment at the University of Innsbruck at the time the Fellowship would take place
- Outstanding track-record of academic achievement
- Time of stay: during the regular semester at the host institution
- At least one guest lecture of the BritInn-Fellow at the host institution
- Statement that no other funding opportunities are available (see application form)
- Length of stay: up to two weeks
- To receive reimbursement: a short report about the stay after completion (details will be given after approval)

Documents for application:

- Application Form
- CV and list of publications

- Outline of joint research project between the outgoing BritInn-Fellow and the host department and an outline of the public lecture/presentation of the research

Deadline for applications:

15 December 2022

(for the summer semester 2023 and winter semester 2023-2024)

Please submit all applications via email to:

BritInn
